President NU

At NU, we have been working towards creating University of the future that fosters critical thinking, innovation and research centric approach. This focuses on shaping individuals who can adapt to the fast-changing global economy and contribute meaningfully to the growth of their organizations and the society at large.

Moving ahead the University aims to create more industry tie ups and research, discovery and entrepreneurship through collaborative action. Our mission is to establish NIIT University as an institution of excellence which will redefine higher education in India. The top of the agenda is to foster a research mind-set, and partner with industry leaders, especially in sunrise industries, to develop study programmes aligned with the skill-sets required by the new knowledge economy. We see NU emerging as a new model in Higher Education.
