

Second CSE Doctoral Symposium Neemrana, Rajasthan April 7 - 8, 2018

NIIT University is inviting the best PhD students from the top CSE departments of the country to present their research to their peers. This is a great opportunity to interact with potential employers from academia, research labs, and industry, and get feedback from top researchers in your area. And what is even better is that all expenses will be paid by NIIT University.

WHO IS ELIGIBLE:

Full time PhD students who have completed three years in the PhD program or are expecting to submit their thesis within a year.

RESEARCH AREAS:

PhD students working in any area of Computer Science are welcome to apply.

APPLICATION PROCESS:

Interested PhD students should email the following to doctoralsymposium@niituniversity.in.

1. Title and abstract of the talk that you would like to present at the symposium.
2. A detailed CV.
3. A copy of the best paper that you have published in a peer reviewed conference/journal.
4. A letter of recommendation from your professor.

The selection will be based on how close the student is to submitting the thesis and the quality of research work done during the PhD program.

There will be no formal proceedings of the symposium. All abstracts, along with contact information, will be shared with all participants at the symposium.

IMPORTANT DATES:

- *Application Deadline: 18th March 2018
- *Selection Notification: 25th March 2018
- *Symposium Dates: 7th -8th April 2018

SPEAKERS:

We are inviting the leadership of top technology companies, as well as industry R&D Labs, along with several academicians from top Computer Science departments in India. Several of these invitees will also be giving talks in the Symposium.
